Our Wedding Services

All your pictures (not just those included in the package) will be displayed on a password accessed web site on which you and your guests can view and order further photos if you wish. Packages, album types and sizes can all be infinitely varied to meet your individual needs.

There is no restriction on the number of photos taken and the number of photos in packages refers to included prints only and can be changed if you wish.

We have state-of-the-art digital facilities and are pleased to supply black and white photos, CD's, albums and engagement photos if required. All photos are taken in colour but any that you choose can be reproduced digitally as black and white, sepia or mono-colour toned afterwards.

If you would like to meet David, our photographer, view his portfolio and informally discuss your requirements please call us on:
